Before nearly 11,000 people, the biggest crowd that ever witnessed a fight in San Francisco, "Young Corbett" Tuesday night defeated "Terrible" Terry McGovern for the second time and re-established his claim to the world's featherweight championship.

The battle lasted eleven rounds, and was one of the most fiercely contested struggles ever waged in the American ring.

## HON. W. B. HAWKINS.

Vice-President of the Burley Tobacco Growers' Association of Kentucky,

Endorses T. T. Hedger, of Scott County, for Commissioner of Agriculture.

**COMMISSIONER OF AGRICULTURE.**—The name implies a man to further the interests of the farmer and agriculturist, and one who knows his needs and will devote his time and his energies to help to that end. He should be a man who is a practical farmer, and one of the sons of toil whom the farmer delights to honor—"One of us." It gives me pleasure to say that in my opinion we have such a man in the aspirant for the place, Capt. T. T. Hedger, of Scott county, a man whose heart and soul is in sympathy with every movement to better his fellow farmers. A tobacco grower, he is one of the first men to enlist himself in the cause of the tobacco growers of his State, a man conversant with the needs of the agriculturist and one in whom the farmers can place implicit confidence and feel assured that it elected their welfare will not suffer.
